Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 1600 on Thursday 07 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry, cold and bright for Friday.

This Evening and Tonight:
Mainly dry with long clear spells across Stirlingshire and Perthshire. However Angus and Fife see occasional snow showers, perhaps sleet on coasts. Widespread frost, risk of ice on untreated surfaces. Minimum temperature -7 deg C (19 deg F).

Friday:
A cold but bright day with some good spells of sunshine around, although a few sleet or snow showers are likely towards the coast, especially through the morning. Maximum temperature 3 deg C (37 deg F).

Outlook for Saturday to Monday:
Frosty start Saturday but generally milder through the weekend and into Monday with cloud, although some brighter spells in east over the weekend, and especially in west occasionally heavy rain.
